

CAREER PATHWAY CERTIFICATE OF COMPLETION: SOFTWARE SUPPORT

The Computer Information Systems: Career Pathway Certificate of Completion: Software Support is intended to prepare the student for the industry examination in software applications. This 16 credit certification is an intensive program emphasizing the hands-on use of common business applications. Students completing this certificate will have gained the knowledge and ability to successfully pass industry standard certification examinations. As a stand-alone certification, this can be used for professional development toward job advancement. As part of the AAS degree this certificate enhances the ability of the student to work efficiently in an office environment and provide support for colleagues. Students completing this certification will be prepared to seek entry level employment in occupations such as

software applications specialists and software training and support specialist.

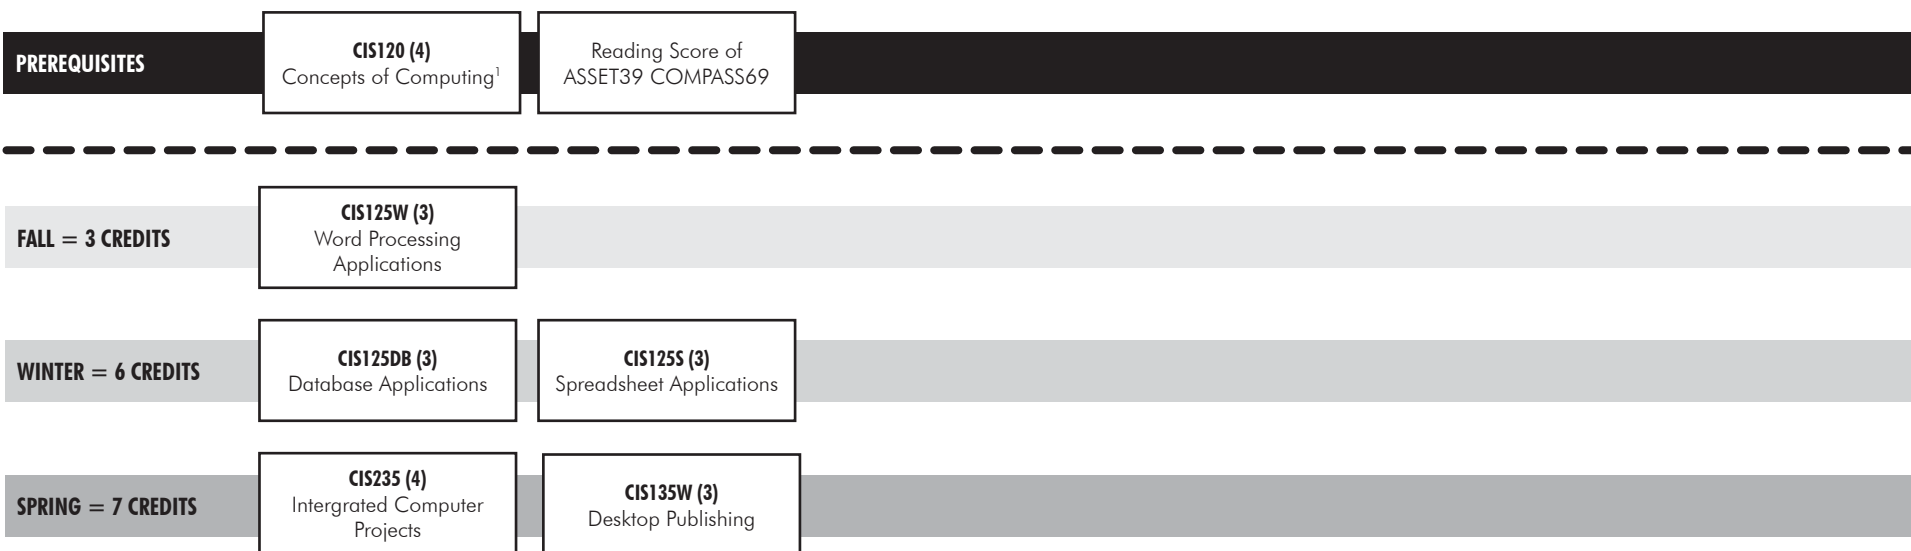

PROGRAM STUDENT LEARNING OUTCOMES

Upon successful completion of this program the student will be able to:

- Demonstrate skills in the use of common business application software.

GRADUATION REQUIREMENTS
