Southwestern Oregon Community College
1988 Newmark
Coos Bay OR 97420-2971

Dear Dr. Kridelbaugh:

Your response to the deficiencies identified in the EMT Accreditation team report dated June 1, 1999, has been received and reviewed by my staff. The responses and the accompanying documentation indicate that the college is now meeting the state EMT Accreditation Standards.

This will serve as official notice that Southwestern Oregon Community College is accredited to offer the EMT Basic and Intermediate courses. This accreditation is good until October 12, 2004, unless there is significant change in your program. Should a significant change occur, please contact my office to determine if the change would affect your accreditation status.

Sincerely,

Ronald L. Dexter
