www.socc.edu

Student ID or Social Security #

Providing your social security number is voluntary. If you decide not to provide your social security number, you must submit this form at a SOCC campus and show identification. Providing identification allows SOCC to confirm your record is accurate and not duplicated. For tax credit eligibility determination, however, your social security number is required and will be reported to the Internal Revenue Service. If you provide your social security number, the College will use your social security number for reporting, research, keeping records, extending credit, and collecting debt. Your social security number will not be given to the general public. If you choose not to provide your social security number, you will not be denied any rights as a student. Please read the statement in your class schedule.
