This form must be signed by the student-athlete's high school Principal and the College President. This provision is applicable to only those student-athletes whose high school class has not graduated at the time of college enrollment. **USE FORM 3.e.**

Section 4. REQUIREMENTS FOR ATHLETIC ELIGIBILITY

The following rules shall be used to determine a student-athlete's eligibility for athletic competition in any one of the certified sports of the NJCAA. **THIS ENTIRE SECTION MUST BE READ BEFORE A STUDENT-ATHLETE'S ELIGIBILITY STATUS CAN BE DETERMINED.**

- A. Student-athletes must be making satisfactory progress within an approved college program or course as listed in the college catalog.

OR
 - 2. Pass an accumulation of quarter hours equal to 12 multiplied by the number of quarters in which the student-athlete was previously enrolled full-time with a GPA of 2.00 or higher,
OR
 - 3. A first season participant must have passed a minimum accumulation of 36 credit hours with a 2.00 GPA or higher for the **initial term** of participation, regardless of previous term or other accumulation requirements (**NOTE:** This only establishes eligibility for the initial term, not subsequent terms),

- G. Student-athletes must be enrolled full-time (12 or more credits) at the college where they have chosen to participate when the regular season schedule of a sport begins. Student-athletes not enrolled during the term when the season begins remain ineligible throughout the season schedule unless they enroll on the first possible enrollment date following:
 - 1. Their release from Active Armed Services of the United States with a discharge other than dishonorable.
 - 2. Their return from a religious mission.
 - 3. Their graduation from a high school or receipt of an equivalency diploma.
 - 4. Their transfer from an NJCAA member college which has dropped a sport after the school year begins. Student-athletes that satisfy one of the four exceptions become eligible after the previous term has ended upon registration as a full-time student-athlete for the new term. (Student-athletes must be added to the eligibility form before participating.)
 - 5. A student-athlete attending a multi-campus college may, if at the campus of his/her enrollment a sport is not offered, participate in that sport at any campus within the system that offers said sport.
- H. In the following sports, student-athletes are not required to be enrolled during the fall term to be eligible to participate in the sport during the spring season unless the records are carried over into the spring season: Baseball, Bowling, Golf, Lacrosse, Softball, and Tennis. If the fall records are carried over into the spring season, all student-athletes must be enrolled full-time (twelve or more credits hours) during the fall term when the schedule begins.

- I. **PART-TIME RULE:** Student-athletes who have never been full-time at any college may become eligible for a season of participation in a sport by meeting the following conditions:

 4. If in any term the student-athletes enroll full-time, they forfeit the privileges under this provision of the part-time eligibility rule.
 5. Student-athletes who withdraw completely or to less than six (6) credit hours become immediately ineligible.
 6. Institutions who apply for this provision of the rules, must submit a transcript to establish the eligibility of the student-athletes.
- J. **NJCAA POLICY – CERTIFIED DISABLED STUDENT-ATHLETE**

An NJCAA student-athlete may be granted relief from Article V Section 4.C, 4.D, and 4.E of the NJCAA bylaws in the instance where the following guidelines are followed. All of the required information listed below must be submitted to the NJCAA National Office prior to any participation in an NJCAA certified sport.

 1. A written copy of the institution's policies and curriculum guidelines applicable to all disabled student-athletes.
 2. Written documentation from an appropriate institutional academic authority (e.g., registrar) that the institution has defined the student-athlete's full-time enrollment to be less than twelve (12) credit hours to compensate for the student-athlete's disability.
 3. Written documentation that describes the application of the institution's policies to the student-athlete in question and documentation that indicates that institutional support and accommodation, though significant, is insufficient to address the academic needs of disabled student-athletes.
 4. Full and complete documentation of the student-athlete's disability, including:
 - a. Written and signed diagnosis of the disability, including the results of specific measures or tests, which formed the basis of the diagnosis.
 - b. A copy of the student-athlete's individual education plan (IEP), if applicable.
 - c. Name, position and signature of the qualified individual issuing the diagnosis. This individual's professional credentials and relationship to the applicant's institution's athletics department must be provided. (**NOTE:** Normally, an athletic department staff member will not be accepted.)
 - d. A current diagnosis of the disability must be within the last three (3) years. If specific circumstances of the case indicate that this requirement is unnecessary, a prior diagnosis may be acceptable.
 - e. The committee reserves the right to request a second opinion or diagnosis. The cost of this diagnosis shall be borne by the institution.
 5. A summary of support services and other accommodations provided by the applicant institution designed to assist the disabled student-athlete. This summary normally would be expected to include accommodations provided by the institution with respect to the student-athlete's athletics responsibilities, as well as the academic and other support services provided and any institutional accommodations related to adjustments of minimum academic performance requirements.
 6. All waiver requests must be signed by any two of the following: The Director of Athletics, College President (Chief Executive Officer) or Designated Representative.

Section 5. ELIGIBILITY OF STUDENT-ATHLETES WHO WITHDRAW FROM CLASSES

The following withdrawal policy applies to student-athletes that are attending any college.

- A. Student-athletes are allowed 15 calendar days from the beginning date of classes to withdraw completely or to withdraw to less than 12 credits (part-time) and not have that term affect their future eligibility, provided they have not participated in any athletic competition. (Refer to Section 4.G)
- B. Student-athletes that have participated and withdraw within the first 15 calendar days of a particular term are not eligible for athletic participation and must re-establish their eligibility in accordance with the provisions of section 4.D or 4.E. The term in which the student-athlete participates must be considered the same as a term of full-time attendance.

Section 6. EIGHTEEN CALENDAR MONTHS NON-COLLEGE ATTENDANCE

- A. Student-athletes that have not been enrolled in college in 12 or more credit hours (full-time) for a period of 18 calendar months or longer shall be exempt from previous term and/or accumulation requirements as set forth in Section 4.D and 4.E. (Not Section 4.F.)
- B. Student-athletes who have served 18 calendar months in the Armed Forces of the United States, church mission or with a recognized foreign aid service shall be exempt from Section 4.D, 4.E, and 4.F.

NOTE: This is a one time exemption, available only for the first full-time term after the period of non-attendance.

Section 7. NUMBER OF SEASONS A STUDENT-ATHLETE CAN PARTICIPATE

- A. Student-athletes must not have previously competed during two seasons in a given sport at any intercollegiate level.
- B. Participation in any fraction of any regularly scheduled contest during the academic year shall constitute one (1) season of participation in that sport. Participation includes entry into an athletic contest and does not include dressing for such an event.

Section 8. **HARDSHIPS**

The hardship provision of the NJCAA is available to student-athletes, who are unable to complete a season of competition or did not satisfy one of the other eligibility rules as a result of an injury, illness or some type of an emergency beyond their control.

- A. Hardship #1 involves an injury or illness which results in the student-athlete's inability to complete a season. Prior to the injury or illness, a student-athlete must not have participated in more than 20 percent of the college's regular season schedule or have participated in no more than two of the institution's completed events in that sport, whichever number is greater. The injury or illness must also have occurred in the first half of the schedule resulting in the student-athlete being incapacitated for the remainder of the season. **USE HARDSHIP FORM # 1.**

NOTE: In applying the 20 percent limitation, any competition which results in a fractional portion of an event shall be rounded to the next highest whole number, e.g., 20 percent of a 27 game basketball schedule (5.4 games) shall be considered six games.

- B. Hardship #2 involves cases other than those affecting a student-athlete's season of competition as specified in Section 8.A. These cases must show that there are circumstances beyond the student-athlete's control which directly result in their inability to satisfy the Rules of Eligibility. The 20 percent limitation still applies to participation. All requests must receive approval from the NJCAA Office of Eligibility. **USE HARDSHIP FORM # 2.**

NOTE: The NJCAA cannot rule on those situations that did not occur at an NJCAA member college.

Section 9. **PHYSICAL EXAMINATION**

All student-athletes participating in any one of the NJCAA certified sports must have passed a physical examination administered by a qualified health care professional licensed to administer physical examinations, prior to the first practice for each calendar year in which they compete.

Section 10. **TRANSFER RULE**

A. **General Provisions Which Apply to Any Transfer Student-Athlete.**

1. Transfer student-athletes are those who have attended any college beyond the first 15 calendar days of a term or have participated in an athletic contest and at a later date enroll and attend classes at another college.
2. Student-athletes may not participate in the same sport during the same academic year at two different colleges. Fall participation in the sports of Baseball, Bowling, Golf, Lacrosse, Softball, and Tennis shall not prevent student-athletes from competing in the same sports during the spring season of the same academic year after having transferred from another college and satisfied all the transfer provisions of the eligibility rules. An exception to this rule is: Student-athletes who transfer from a college which has dropped a sport. (Documentation of the program being dropped must be provided when submitting the eligibility.)
3. Student-athletes who have participated in a sport before a term begins, between terms, or within the first 15 calendar days of a term and subsequently transfer before or within the first 15 calendar days of the term, must serve probation before they are eligible to participate in athletics.
4. Student-athletes serving probation shall not be allowed to dress for any athletic contests.
5. Whenever student-athletes are required to serve probation, they must be enrolled full-time (12 or more credits) at the institution where they will be participating.
6. To be eligible in a sport that spans over two terms, transfer student-athletes must be enrolled in 12 or more credit hours (full-time) during the term when the season of that sport begins. The student-athlete must also be enrolled at the college where they have chosen to participate. There are five exceptions to this rule as found in Section 4.G.

B. **Transfers from an NJCAA Member College.**

Student-athletes transferring from an NJCAA member college are either immediately eligible upon transfer or must serve a probationary period. The following rules determine the student-athlete's eligibility status.

1. **Immediate Eligibility** – To be immediately eligible upon transfer, a student-athlete must comply with both of the following two requirements:
 - a. Satisfy the provisions of Section 4.D. or 4.E. (Use the rule which is applicable to the transfer student-athlete.)
 - and**
 - b. Satisfy one of the following provisions numbered 1 through 5.
 - i The college from which the student-athletes are transferring does not have a particular sport(s). (The student-athletes are immediately eligible only in the sport which is not offered.)
 - ii An NJCAA Transfer Waiver Form is signed by the Athletic Director and Chief Executive Administrator of the community college from which the student-athletes are transferring.
 - iii Student-athletes who have not participated in any sport, transfer from their first community college to any community college within their home district, county, or service area.
 - iv Student-athletes enroll at the first possible opportunity in a newly established college or a college that initiates an intercollegiate athletic program within the student-athlete's home district, county, or service area.
 - v The college from which the student-athlete is transferring has been placed on probation in the sport in which the student-athlete is participating. This provision does not apply to any student-athlete that is causatively involved in the problem resulting in the penalty.
2. **Probation Period.** A student-athlete who has attended an NJCAA member college as a full-time student and/or participated and who transfers from that college to another NJCAA member college may not participate for one (1) season. The season is interpreted as the season immediately following his/her last term of full-time enrollment.

1. The student-athlete may be immediately eligible upon transfer if he/she has a NJCAA Transfer Waiver from the last college(s) of athletic participation and full-time enrollment.
2. All academic provisions listed in Article V, Section 10.B.1.(a) must still be met.

NOTE: Rule does not affect transfer students from four year college or from non-NJCAA member colleges and that 16 calendar weeks probationary period would still apply.

NOTE: Before a student-athlete can participate in a second season of an NJCAA certified sport, the provisions of Section 4.F must be satisfied.

C. **Transfers from a Four-Year College or from a Non-NJCAA Member College.**

Student-athletes transferring from a four-year college or a non-NJCAA member college are either immediately eligible upon transfer or must serve a probationary period of 16 calendar weeks. The following rules determine the student-athlete's eligibility status.

1. **Immediate Eligibility** – To be immediately eligible, with no probation required, student-athletes must satisfy the provisions of Section 4.D or 4.E. (Use the rule which is applicable to the transfer student-athlete). **NOTE:** Before a student-athlete can participate in a second season of an NJCAA certified sport, the provisions of Section 4.F must be satisfied.
2. **Probation of Sixteen Calendar Weeks** – A probationary period of 16 calendar weeks and the completion of one academic term with twelve passing credits and a 2.00 GPA or higher is required of student-athletes who did not satisfy the academic provisions of Section 4. Student-athletes serving this 16-week probation period may be added to the eligibility roster at any time after satisfying the provision of the probation period. **NOTE:** Before a student-athlete can participate in a second season of a NJCAA certified sport, the provisions of Section 4.F must be satisfied.

Section 11. RULES GOVERNING THE AMATEUR STATUS OF STUDENT-ATHLETES

Amateur athletes are those who engage in sports for the physical, mental or social benefits they derive in participation and to whom athletics is an avocation and not a source for personal financial remuneration. Whenever the amateur status of a student-athlete is questionable and before competition begins in an activity sponsored by the NJCAA, it is the responsibility of an administrative officer of the college where the student-athlete is enrolled to clear the status of the student-athlete in question. In determining amateur status of student-athletes, the following guidelines have been established.

A. **Student-Athletes are Permitted To:**

1. Accept scholarships and educational grants-in-aid from their institution in accordance with the provisions of Article VIII of the bylaws of the NJCAA.
2. Officiate sport contests, providing the compensation received does not exceed the going rate for such employment.
3. Serve as coaches or instructors for compensation in a physical education class outside of their institution provided the employment is not arranged by the student-athlete's institution or a representative of its athletics interests.
4. Serve as paid supervisors of children's sports programs, such as counselors in a summer camp, or in a recreation department program. Their duties may include teaching techniques or skills in their sport, provided that any instruction is a part of the overall terms of employment (teaching and coaching shall not exceed more than half of their employed time) and not on a fee-for-lesson basis.
5. Participate in professional baseball for no more than ninety (90) days at a level no higher than Class A. If this can be confirmed by the National Association of Professional Baseball Leagues, the student-athlete shall be eligible to compete in baseball at an NJCAA member college. Any participation beyond the first ninety (90) days shall cause a student-athlete to be ineligible in the sport of baseball.
6. Participate in women's softball if the women were involved in the Professional Softball Association and have been reinstated by the appropriate amateur governing body.
7. Have their names or pictures appear in books, other publications, or films without jeopardizing their amateur status, but only under the following conditions:
 - a. Appearance in such publications or films is for the purpose of demonstrating athletic skill, analysis of a sports event, or instruction in sports.
 - b. There is no indication that the student-athlete expressly or implicitly endorses a commercial product or services.
 - c. The student-athlete is not paid.
 - d. The student-athlete has signed a release statement detailing the conditions under which his or her name or image may be used and has filed a copy of that statement with the institution he/she attends.

B. **Student-Athletes Shall Not:**

1. Receive money or other forms of remuneration beyond actual expenses for participating in any athletic contest or programs with the exception of bowling and golf. (Refer to the bowling and golf sections of the NJCAA Handbook.)
2. Give lessons on a fee-for-lesson basis.
3. Be employed to teach any class or in any coaching capacity for their college during the academic year in which he/she is a participant.
4. Be employed or receive compensation for teaching or coaching sports skills or techniques, if the employment is arranged by the student-athlete's institution or a representative of its athletics interests.
5. Take any financial assistance, or enter into an agreement of any kind, to compete in professional athletics, with the exception of the student-athlete who participates in professional baseball for not more than ninety (90) days as provided in Section 11.A.5. Student-athletes who violate this provision shall be ineligible for participation in the sport. This includes declaring for professional draft.
6. Try out with a professional sports organization while enrolled full-time during any part of the academic year unless they have exhausted their eligibility in that sport. (This includes any time from the beginning of the fall term through the completion of the spring term, including any intervening period.) Part-time student-athletes who are not participating under the provisions of Section 4.I. may try out provided they do not receive any form of compensation other than actual expenses from the professional organization.
7. Contract in writing to be represented by an agent in the marketing of athletic ability or reputation in a sport.
8. Participate in the Major Junior A Hockey League sponsored by the Canadian Amateur Hockey Association (CAHA).
9. Participate in the A League of Professional Soccer.
10. Participate in the Superliga of the Brazilian Confederation of Volleyball (CBV).
11. Student-athletes shall not compete professionally or contract to compete professionally in a sport regardless of its format.

Section 12. ADDING AND DELETING PARTICIPANTS ON ELIGIBILITY FORMS

The eligibility status of student-athletes is determined at the beginning of each season. The following rules determine when student-athletes can be supplemented or must be deleted according to their academic performance.

- A. Student-athletes that are not serving probation and are academically eligible can be supplemented on an NJCAA Eligibility Form up until the deadline dates listed below. **Such student-athletes become eligible on the date of electronic submission of the eligibility form for that student-athlete(s).** Additions submitted after the deadline date established for each sport can not be submitted online and will not be accepted. Student-athletes submitted after the initial eligibility filing are not eligible until their submission date.

- B. For those sports whose regular season schedule begins between terms, all student-athletes must be academically eligible from the previous term.
- C. If the regular season schedule of a sport ends before the last day of the term, all student-athletes remain eligible for post-season competition (Regional and National competition), provided full-time enrollment is maintained throughout the sport season. No additions can be made to a team's roster after the term has ended.
- D. **RECERTIFICATION:** If the regular season schedule of a sport extends past the last day of the term, the eligibility of student-athletes is determined by the following rules:
 - 1. Student-athletes that do not satisfy the academic provisions of Section 4 at the completion of the term must be dropped from competition on or before the 20th calendar day after the end of the given term with one exception as follows:
 - a. **TRIMESTER COLLEGES:** Colleges which operate on the trimester calendar and whose winter session ends approximately April 20, may elect to allow their student-athletes that do not satisfy the provisions of Section 4 at the completion of the term, to finish the season. - C. Challenges to the interpretation or the enforcement of the NJCAA bylaws, rules, and regulations shall set forth in detail the name and address of the member college presenting the challenge, the factual basis for the challenge, the jurisdictional basis of the challenge, citation of the bylaws, rules, and regulations involved in the challenge, name and address of any other member college that would be affected by the challenge, and any documentation to support the challenge.

- D. In its request for appeal, the appealing college must notify the Executive Director whether the college desires an oral hearing or a written appeal. In the event the appealing college fails to notify the Executive Director of whether it desires an oral hearing on its appeal, it will be conclusively presumed that the appealing college waives such oral hearing.
- E. The appealing college's request for appeal shall set forth the factual basis for its appeal, including all defenses it deems appropriate. The appealing college shall set forth in detail each bylaw and/or rule and regulation of the NJCAA involved in its appeal and list specific reasons why the decision of the National Office should be reversed. The National Office shall forward the appealing college's written presentation to each of the members of the Executive Committee in a reasonable and timely manner. The National Office may also provide its own written information concerning the matter to the Executive Committee members. A copy of the package of material sent to the Executive Committee members (including the appealing college's written presentation

and any additional written information from the National Office) shall be sent to the appealing college by certified mail, return receipt requested, at the same time the package is sent to the Executive Committee members.

- F. In the event that an appealing college has requested an oral hearing, the hearing shall be held for the Executive Committee with the following procedures:
1. The President of the Executive Committee shall act as presiding officer at the hearing. In the absence of the President, a majority of the Executive Committee members present shall select the presiding officer among themselves.
 2. At all oral hearings, the appealing college may be represented only by an employee of the college and the student-athlete at the oral hearing may only be represented by either an employee of the appealing college or by the student-athlete himself/herself. Either the appealing college or the student-athlete or both may have legal counsel present to advise them, but such legal counsel may not make presentation directly to the Executive Committee at the oral hearing.
 3. The appealing college shall present its relevant evidence (witnesses and documentation). The National Office will have the right to cross-examine any witness presented by the appealing college.
 4. After the appealing college has presented its relevant evidence, the National Office shall have the right to present any relevant evidence it deems appropriate. The appealing college shall have the right to cross-examine any witness presented by the National Office.
 5. All proceedings occurring during the oral hearing shall be transcribed by a certified court reporter, and the costs of such certified court reporter shall be shared equally by the appealing college and the National Office. The appealing college shall be responsible for its costs and expenses, including the costs and expenses of any witnesses presented by it, and the National Office shall be responsible for its costs and expenses, including the costs and expenses of any witnesses presented by the National Office.
- G. In the event an appealing college withdraws its appeal after submitting a request for appeal in writing to the Executive Director, the appealing college shall be responsible for all costs incurred by the National Office in connection with the appeal to the date of withdrawal.
- H. In the event of an oral appeal, a decision will be reached by roll call vote of the Executive Committee members present.
- I. Decisions of the Executive Committee concerning the appeal shall be in writing. In cases where there is no oral hearing, the decision of the Executive Committee shall be due within fourteen (14) days from the date the appealing college's written presentation is received by the Executive Director of the NJCAA, as set forth above. In cases where oral hearing is had before the Executive Committee, a decision of the Executive Committee shall be due within seven (7) days after the date the said oral hearing is completed. A copy of such written decision shall be furnished to the appealing college and the Regional Director for the region in which the appealing college is located. A copy of the decision may also be furnished to any other college directly affected by the decision at the discretion of the Executive Director of the NJCAA.
- J. Unless a majority of the total number of the members of the Executive Committee vote to overturn the decision of the National Office, the appeal will be denied. Majority shall mean the majority of all of the members of the Executive Committee, not just a majority of those members who actually vote.

Section 4. ARBITRATION

- A. A member college may appeal a decision of the Executive Committee. The sole method for appeal of a decision by the Executive Committee shall be by arbitration administered by the American Arbitration Association (AAA) or such other arbitration service as selected by the National Office. No suit at law or in equity, or for an injunction or a restraining order shall be instituted by a member college to overturn, set aside, or stay a decision by the Executive Committee or the National Office.
- B. Any member college appealing the decision of the Executive Committee must submit a written notice of such appeal upon the Executive Committee, through the Executive Director of the NJCAA, demanding arbitration. Such written notice must be signed by the president of the college and delivered to the Executive Director of the NJCAA no later than 20 days from the date the decision of the Executive Committee which is being appealed was rendered. Such written notice shall set forth the name and address of the appealing college and the factual and legal basis for the appeal.
- C. Upon receipt of the written notice of appeal from the appealing college, the Executive Director of the NJCAA shall select an arbitration service to hear the appeal. The Executive Director shall request that the arbitration service provide a panel of three potential arbitrators qualified to hear the appeal. Upon receipt of the panel of potential arbitrators, the Executive Director shall supply a copy of the same to the appealing college. The arbitrators shall be selected by the following method: The appealing college shall strike one name from the panel, thereafter the Executive Director acting on behalf of the Executive Committee shall strike one name, and this alternating procedure shall be repeated until only one arbitrator remains from the panel. Such arbitrator selected by the foregoing method shall be the arbitrator for the appeal. The selection of the arbitrator using the foregoing method shall be completed within seven days after the Executive Director has received the panel of potential arbitrators from the arbitration service.
- D. After consultation with the parties, the arbitrators shall appoint a time and date for the hearing of the appeal and cause notification of such time and date to be sent to the parties by certified or registered mail, return receipt requested, not less than five days before the hearing. Appearance at the hearing waives such notice. The hearing of the appeal shall be conducted at the NJCAA National Office in Colorado Springs, Colorado. The parties shall share equally the fees and costs of the arbitration service, the arbitrator, and the certified court reporter who will record the arbitration proceedings. Each party shall be responsible for the fees and costs of its own representatives and witnesses, including but not limited to the fees and costs for transportation, food, and lodging for such representatives and witnesses.
- E. The hearing shall be conducted in accordance with the following rules:
1. The appealing college shall be the appellant and the NJCAA shall be the appellee.
 2. The burden of proof in said proceedings shall be on the appellant.
 3. The taking of testimony, presentation of argument and evidence, and all other procedures at the arbitration hearing shall, as far as the arbitrator deems practical, be governed by the usual rules applied in the courts of the State of Colorado.
 4. At least five days prior to the hearing date, each party shall submit to the arbitrator (with a copy to the other party) a written brief containing, among other things, a statement of facts, a statement of the issues, a statement of the position of the party with respect to such issues, the argument(s) in support of such party's position, a list of potential witnesses who may be

- called by the party at the hearing, and a list of potential exhibits to be presented by the party at the hearing. The arbitrator for good cause may extend the time for filing the briefs.
5. The hearing shall be opened by the arbitrator noting the date, time, and place of the hearing and the presence of the arbitrator, the parties, and their representatives. The arbitrator may ask for statements to clarify any issues involved. The appellant shall then present its evidence to support its appeal on why the decision of the Executive Committee should be overturned. Thereafter, the NJCAA shall present its evidence supporting the decision of the Executive Committee. Witnesses for each party shall submit to questions (in both direct examination and cross-examination and examination by the arbitrator). The arbitrator may receive into evidence any exhibits offered by either party.
 6. The hearing shall be recorded by a certified court reporter.
 7. The hearing may proceed in the absence of any party or its representative who, after due notice, fails to be present or fails to obtain a postponement. The arbitrator may hear and determine the appeal upon the evidence produced notwithstanding the failure of a party duly notified to appear.
 8. The arbitrator may adjourn the hearing from time to time as necessary and, on request of a party and for good cause, or upon the arbitrator's own motion, may postpone the hearing.
 9. The decision by the arbitrator shall be in writing and a copy of the same shall be delivered to each of the parties no later than 30 days after the hearing is completed. The decision of the arbitrator shall be made in accordance with the articles of incorporation, constitution, bylaws, and rules and regulations of the NJCAA. The arbitrator shall not have the authority to amend, modify, or add to the specific provisions of the Articles of Incorporation, bylaws, or rules and regulations of the NJCAA. The arbitrator shall not have the authority to amend or change a restriction or sanction imposed by the NJCAA on the appealing college.
 10. The arbitrator's decision shall be final and binding upon the parties unless the decision is procured by corruption or fraud, or the arbitrator exceeded the arbitrator's powers as set forth herein.
