

Directions – The Business Center

**2455 Maple Leaf Way
North Bend OR 97459
756-6778 or 756-6866**

Directions:

The Business Center is located directly across from the first entrance sign to the North Bend Airport (Southwestern Oregon Regional Airport).

The Business Center is a large metal building (painted white with green and burgundy trim) with a chain link fence around the parking lot.

If you enter North Bend on Highway 101, you will come to a cross street at a traffic light called "Virginia Street." Turn onto Virginia Street and travel west about a mile (the road will automatically fork off to the right and becomes Maple Leaf). Follow the signs towards the airport.

When you come to the first sign for the airport (it will be on your right), look on your left and you will find the entrance sign to The Business Center.

Enter the building at the main entrance (glass doors) and the meeting room will be located on your left. If you have any difficulties, call 756-6778 or 756-6866.

Please park in spaces designated as "VISITOR" or on Oak Street.
