

o celebrate a birthday

Our Family Center friend, Daniel Brouse, is celebrating his 38th birthday on January 30th! He has chosen to run 38 miles for his celebration - to Coquille and back again.

He would like to make this run in support of the children at the Family Center. How wonderful is that!?!

Please support Daniel and the children at the Family Center.

You can do that by sponsoring him*, making an MP3 file or disc for him to listen to while he's running, or joining him in the run - all or part of it.

For more information, please contact Laurie at the Family Center. 541 888 7336 or lpotts@socc.edu

If you would like to run with Daniel, please contact him directly at 888 7245 or 503 382 7171 or send MP3 files to dbrouse@socc.edu

*Sponsor forms will be available at the Family Center and on our web page <http://www.socc.edu/familycenter/> You can sponsor for any amount that you choose - by the mile or one amount for the whole event.
