Oregon Community College

Important Message

In order to ensure a safe operating environment for all users of the campus network, all computers are required to install and run various software to ensure a safe operating environment (anti-virus software, appropriate security patches, etc.). To ensure compliance, we require that all users install a software policy key.

[Click here to read the FAQ](#)

Yes, I will install the Policy Key and accept the terms and conditions for Internet Use

When the initial File Download box comes up, please click "Open."

Netscape & FireFox users, please click "Save" and when the file finishes downloading, click on the installer.

[I DO NOT ACCEPT](#)

If you click "I DO NOT ACCEPT" you will not have internet access.

Now select **Run**.

Select **Run** again.

Select **Install** and then **OK**
