

Procedure for Logging on to SWOCC wireless network

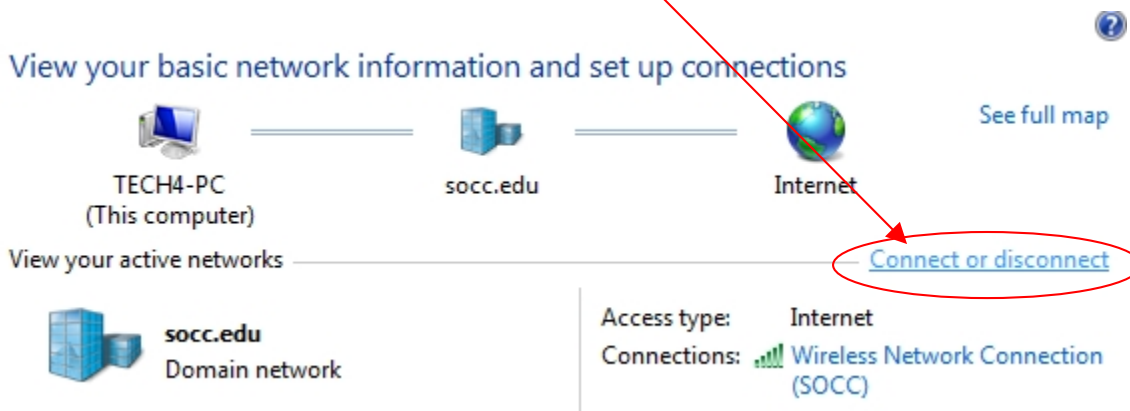

In the bottom right corner of your desktop in the Task Bar will be the wireless network icon, Right click to open the menu.

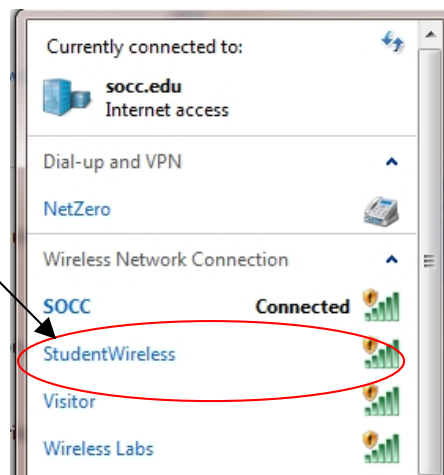

Select **Open Network and Sharing Center**

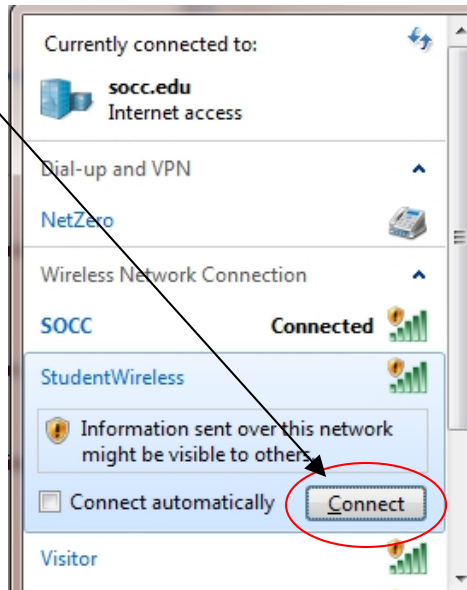

In the Network and Sharing Center select **Connect or disconnect**

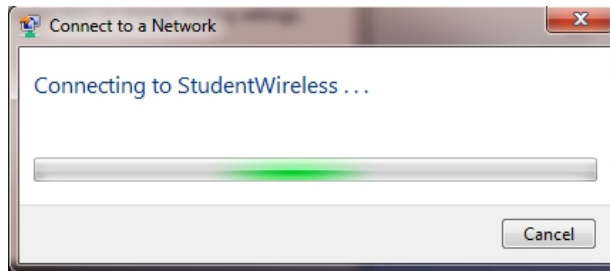

Select the network you wish to connect to by clicking on it, for this example we will connect to **StudentWireless**

Click on the **C**onnect button

Showing connecting

Once you are connected to the network, open your browser and you will need to login with the credentials being requested.

You are connected to the Student network.

We require you to authenticate before proceeding.

Please use your WebAdvisor ID and Six Digit Date of Birth.

If you need help please contact the ITS department at 888-7225, 888-7426 or 888-7428.
