

BP: 5011

INTEGRATED PEST MANAGEMENT

To ensure the health and safety concerns of student, staff and community members, the Board of Education shall adopt an integrated pest management plan (IPM) which emphasizes the least possible risk to students, staff and community members and shall adopt a list of low-impact pesticides for use with the IPM plan.

The plan adopted by the Board shall identify plan coordinator responsibilities including;

- (1) Giving notices under ORS 634.740;
- (2) Retaining pesticide application records under ORS 634.750;
- (3) Providing a process for responding to inquiries and complaints about noncompliance with the integrated pest management plan; and
- (4) Conducting outreach to the college community about the College's integrated pest management plan.

The President shall designate the Director of Facilities Services as the Integrated Pest Management Plan Coordinator giving them the authority for overall implementation and evaluation of the IPM plan.
