Websites

- <http://www.everyonegoeshome.com>
 - Your textbook
- <http://www.firehouse.com/>
 - Firehouse.com is the firefighter's source for breaking news, podcasts, blogs, webcasts and information on firefighting, training, jobs, technical rescue and more. The organization also publishes Firehouse Magazine.
- <http://www.firescience.gov/>
 - FireScience.gov is your one-stop source to access fire science information, resources and funding announcements for scientists, fire practitioners and decision makers. We are committed to improving your access to fire science information. On this site, you can: apply for funding, read summaries of research to stay up-to-date, register for events like conferences and webinars, and connect with scientists and managers.

Journals

- Fire
 - Access: 01/01/2002 - 05/31/2010
 - Description: Focuses on topics in training for fire & rescue services, including skills, experience, technical information, etc.
- Fire and Rescue
 - Access: 03/01/2009 – present
 - Description: Covers current firefighting issues, new products and innovations and major fire disasters.
- Fire Chief
 - Access: 02/01/2001 - 09/30/2010
 - Description: Articles to assist fire chiefs of city, country and district fire departments -- both volunteer and paid.
- Fire Engineering
 - Access: 01/01/1995 – present
 - Description: Articles, news, and information on products and services for firefighters.
- Fire Management Today
 - Access: 01/01/2000 - 07/01/2015
 - Description: Serves the wildland fire community in presenting news and information on forest fire prevention techniques.
- Fire Safety Engineering
 - Access: 05/01/2002 - 12/31/2009
 - Description: Contains major articles focusing on technical developments and issue-led features concentrating on both active and passive fire protection fields and the application of fire safety engineering solutions. It also keeps readers informed of developments in fire safety legislation, new products and standards and provides objective comment from the main fire industry bodies.
- Firehouse Magazine
 - Access: 11/01/2004 – present
 - Description: Covers historic and dramatic fires, techniques, rescues. Covers anything and everything about firefighting and firefighters.
- Industrial Fire Journal
 - Access: 01/01/2009 – present
 - Description: Provides a forum for the exchange of information, ideas and experience through articles by respected authors and reporting on current firefighting and fire protection issues, new products and innovations, and recent major industrial fire disasters.
- Journal of Fire Protection Engineering (PEER REVIEWED)
 - Access: 02/01/2005 - 08/31/2008
 - Description: Publishes engineering research-based articles on fire safety engineering topics from around the world.
- Journal of Fire Sciences (PEER REVIEWED)
 - Access: 01/01/2005 - 09/30/2008
 - Description: Contains scientific reports on the fire behavior of commercial materials.
- Wildfire
 - Access: 07/01/2002 - 12/31/2012
 - Description: Contains news and articles on forest fires.
