

Southwestern Oregon Community College

BP 3501 Campus Security and Access

Purpose

The Board of Education seeks to provide an atmosphere of openness for the encouragement of collegiate activity at College-controlled facilities. This must be balanced by controls on access, which are designed to promote security in College facilities.

Statement

The College is committed to working with community agencies to reduce the opportunity for criminal/antisocial activities and providing a safe and secure environment for staff and students. Campus Security shall be primarily responsible for carrying out the mandates of the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act and Oregon Senate Bill 576.

The President or designee shall establish procedures for security and access to the college facilities.
