BP: 5075 STUDENT COMPLAINTS

As students pursue their educational goals, they shall be free from unfair and/or improper behaviors by members of the College community. The student complaint procedure provides a way for students to seek resolution to decisions, conditions and practices of the College, its faculty or staff, which are alleged violations of student Rights and Responsibilities and Code of Conduct identified in the Student Handbook or other published Board policies and administrative procedures. Students will not be retaliated against for filing a complaint. Correspondingly, irresponsible use of the complaint procedure may result in disciplinary action.

The President or designee will develop appropriate administrative policies/procedures to implement this policy.
