

Southwestern Oregon Community College

BP 2080 Staff and Public Complaints

Purpose:

To establish lines of communication for the Board of Education regarding criticism, complaints or suggestions.

Statement:

Board of Education members, individually or collectively, shall refer all criticisms, complaints, or suggestions regarding the College called to their attention about the College to the President for review, investigation, recommendation, or action.

In the event the President is the subject of the complaint, the information shall be conveyed to the Board Chair and Vice-Chair for action. Any complaint concerning the President shall be discussed at the following Executive Session.
