

# **Southwestern Oregon Community College**

## **BP 7135 Faculty Outside Employment**

### **Purpose**

To establish and define faculty outside employment standards.

### **Statement**

The Board of Education delegates authority to College Administration to develop standards governing faculty outside employment and activities consistent with current collective bargaining agreements, including disclosure of potential conflicts of interest as required by Oregon ethics law, and procedures for reporting and hearing potential or actual conflict of interest complaints. See also BP/AP 2710.
