

Southwestern Oregon Community College

BP 3720 Computer and Network Use

The Board of Education expects students, employees, and visitors who use Southwestern Oregon Community College computers and networks, and the information they contain, and related resources to understand they have a responsibility not to abuse those resources, and to respect the rights of others.

The President, or designee, shall establish procedures that provide guidelines to students, employees, and visitors for the appropriate use of information technologies. The procedures shall include that users must respect software copyrights and licenses, respect the integrity of computer-based information resources, refrain from seeking to gain unauthorized access, and respect the rights of other computer users.

Adopted: 12/7/2020
