- References in great articles
- Truncation (\*)

Resources to Search:

- Websites (use information literacy skills when finding resources on Google, etc.)
  - [www.oregon.gov/odf](http://www.oregon.gov/odf)
    - Oregon Department of Forestry website has great resources for laws, publications, and reports.
  - <http://www.oregon.gov/ODF/AboutODF/Pages/Organizations.aspx>
    - This is a page from the Oregon Department of Forestry which lists other forest agencies and organizations that might be helpful.
  - <https://www.fs.fed.us/about-agency/regulations-policies>
    - The whole website for the US Forestry service is useful, but this page specifically focuses on regulations and policies.
  - <http://www.fao.org/forestry/policy/en/>
    - This is the Forest Policy page for the Food and Agriculture Organization of the United Nations. Please see the sidebar on the right for publications on developing policy.
  - <https://www.cifor.org/forest-policy/>
    - The Forest Policy page for the organization Center for International Forestry Research features relevant presentations and videos.
  - <https://owl.english.purdue.edu/owl/>
    - Writing guide
  - <https://www.socc.edu/library>
    - Library homepage
- Databases (7-digit student ID number to log in off-campus) <https://www.socc.edu/library/databases>
  - Academic OneFile (Gale)
  - Academic Search Complete (EBSCO)
  - EBSCO Academic eBook Collection
  - EBSCO Community College eBook Collection
- Journals (use [Publication Finder](#) to look up specific titles or subjects):
  - American Forests
    - Access: 01/01/1989 - present
    - Description: Articles aimed at maintaining and improving the health and value of trees and forests, to attract and cultivate the interests of citizens, industry and government in trees and forests.
  - Arbor Age
    - Access: 08/01/1999 - present

- Description: Targets arborists in the commercial, municipal and utility sectors. Content is provided by a wide range of green industry experts, including professional arborists, academicians, instructors, consultants, government bodies and research organizations.
  - Canadian Journal of Forest Research
    - Access: 01/01/2001 - present (Full Text Delay: 1 year)
    - Description: Articles in silviculture, forest mensuration, harvesting, vegetation management, tree physiology, ecophysiology, dendrochronology, forest fire ecology, forest soil biology, biotechnology, forest genetics, tree improvement forest entomology, etc.
  - Fire Management Today
    - Access: 01/01/2000 - 07/01/2015
    - Description: Serves the wildland fire community in presenting news and information on forest fire prevention techniques.
  - Forest Products Journal
    - Access: 01/01/2000 - present
    - Description: A reference work for anyone interested in the wood products industry. Contains feature articles of interest to the industry and a section for practical abstracts of new patents of interest to the forest products industry.
  - iForest: Biogeosciences and Forestry
    - Access: 01/01/2010 – present
    - Description: Encompasses a broad range of research aspects concerning forest science: forest ecology, biodiversity/genetics and ecophysiology, silviculture, forest inventory and planning, forest protection, landscape ecology, forest history and wood technology.
  - International Forestry Review
    - Access: 06/01/2013 – present
    - Description: Covers forestry practice, policy, research, and conservation worldwide, together with news and information.
  - Journal of Tropical Forest Science
    - Access: 01/01/2004 – present
    - Description: Concerned with the development of tropical forest sciences, particularly the management & utilization of tropical forests. Also gives emphasis to the development of technology in forest products.
  - Western Journal of Applied Forestry
    - Access: 10/01/2009 – present
    - Description: Focuses on research, practice, and techniques targeted to foresters and allied professionals in the western United States, including Alaska and British Columbia.
- eBooks (via EBSCO Academic and Community College collections)
  - Fire Management in the American West: Forest Politics and the Rise of Megafires
  - Forestry: Research, Ecology, and Policies
  - Global Change and Forestry: Economic and Policy Impacts and Responses
  - Policy That Works for Forests and People: Real Prospects for Governance and Livelihoods
  - Wars in the Woods: The Rise of Ecological Forestry in America
- Physical Books (this catalog will show you everything in Coastline) <http://catalog.cclsd.org/>
  - Climate Change and United States Forests SD390.7.C55 C58 2014
  - Forests in Our Changing World: New Principles for Conservation and Management SD390.7.C55 L37 2014
  - Lumberman's Frontier: Three Centuries of Land Use, Society, and Change in America's Forests HD8039.L92 U537 2010
  - Oregon's Forest Protection Laws: An Illustrated Manual KFO2649.A35 1971 A2 2011
  - Public Lands, Public Debates: A Century of Controversy SD426.M54 2012

- Science and Hope: A Forest History SD131.D37 2013
- Silviculture: Concepts and Applications SD391.N96 2016
- Urban Forests: Natural History of Trees & People in the American Cityscape SB435.5.J66 2016
